

Lightspeed Systems makes learning safe, mobile, and collaborative.

Students and schools protected with content filtering

Rocket:
Safe Learning Solution
Rocket appliances deliver safety, advanced reporting, and directory integration. Sitting on your network, our scalable Rockets ensure compliance, flexible acceptable use, and access to information about web activity.

Taking learning anywhere anytime on your mobile device

Mobile Manager:
Mobile Learning Solution
This comprehensive solution makes it easy to roll out, manage, and safely utilize mobile devices for learning. It provides cloud-based management of mobile devices through Mobile Device Management, Cloud Filtering, and Cloud Email with cloud file storage.

Teachers and students working and learning together

My Big Campus:
Collaborative Learning Solution
It's the buzzing educational hub between a device and the Web. Part social network, part learning platform and part content management system, My Big Campus is the only solution that safely brings together all the tools students and educators need, and makes them easy to access and easy to share so it's easy and fun to learn.

Amazing.

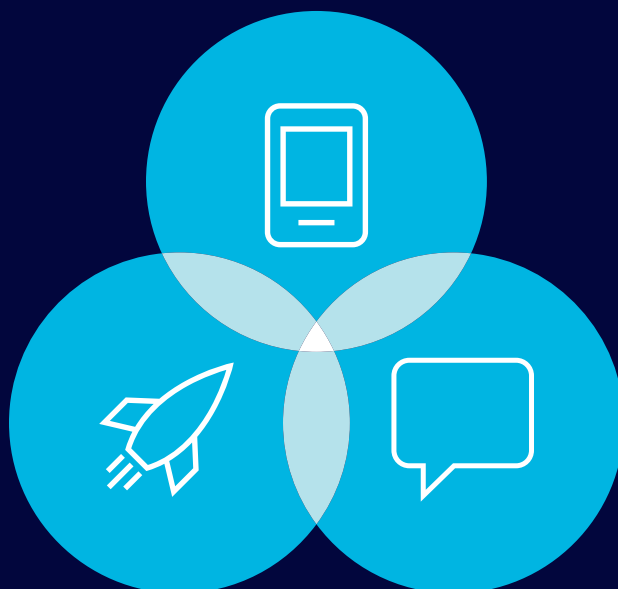

Facilitating an education revolution

Lightspeed Systems delivers core elements to make your managed educational devices safe, mobile, and collaborative.

Together we do amazing things

Mobile.

Learning anywhere, anytime

Safe.

Staying safe on the web

Collaborative.

Working and learning together

Education needs the technology revolution that has transformed every other industry — and we know how to get there. It begins with students using mobile devices to connect with people, resources, and tools. And it must take place in a safe, managed environment.

We've partnered with thousands of districts to create transformative learning environments that engage students and improve performance.

We provide integrated solutions for successful learning programs.

Our Mobile Learning Essentials

- Mobile Management
- Safety and Filtering
- Collaborative Learning Platform

Our deployment services ensure your devices arrive ready to go, while our professional development services aid in effective use of the devices in the classroom.

Lightspeed Systems delivers solutions that enable learning in a safe environment.

We also provide expert services to streamline mobile learning deployment.

Our Solutions Create

- Inspired Teachers
- Engaged Learners
- Confident IT Teams
- Involved Parents
